LOCAL ISSUES, LOCAL ACTION, LOCAL CONSERVATIVES

WORKING FOR OUR COMMUNITY

“Simon Oakley was born in St Richard’s, brought up in East Wittering, attended local schools and moved to Tangmere in 1986. After a career as a Merchant Naval Deck Officer (the last 11 years of which with P&O Ferries at Portsmouth) his time is now devoted to local matters and interests.

■ These include Cricket (Groundsman at Tangmere and a Sussex League Umpire), community/recreation facilities and a clean environment.

■ Served as a Tangmere Parish Councillor and as its District Councillor since 2011. Elected to serve Chichester East Division at County in 2013. Has been heavily involved in planning, community, local highway and drainage matters. Secured over £100,000 in WSSC grants for the Division”

A SUSTAINABLE FUTURE FOR ALL

“I’m seeking your support in continuing to represent your interests at County. There are many issues that affect all three tiers of Local Government. I believe it is an advantage to have a Councillor who has a part in all levels in the same electoral area.

■ Local Government, run by local people, is the most efficient means of delivering many services.

■ To fund services and facilities we need a sustainable economy with the right balance between taxes, spending, encouraging personal responsibility and helping those who are in real need.”

Above: Planning for and managing new development

Right: Working to improve highways and maintain safe access for all.
Top right: Continuing the work to improve drainage infrastructure.
