

**JEREMY HUNT**  
**The local choice for Chichester North**  
 Including Chichester North and the parishes of Lavant, West Dean, Singleton, East Dean, Upwaltham, Earham, Boxgrove and Westhampnett

**West Sussex Conservative Councillors:**

- Investing across the County
- Working for your Community
- Supporting and caring for our young and elderly

WEST SUSSEX COUNTY COUNCIL ELECTIONS, 4th MAY 2017

**ACTION FOR YOU ALL YEAR ROUND**  
 FOR CAMPAIGN NEWS VISIT WESTSUSSEXCONSERVATIVES.CO.UK

**What we have achieved together**

**SUPPORTING OPERATION WATERSHED**  
 I have supported many grant applications from local organisations, either through the CIF fund or the MBSF fund. Successful applications range from improvements to Earham village hall, a defibrillator for East Dean, physio kit for Chichester Football club, fencing for the Lavant Allotments and many more.

**LOCAL COMMUNITIES INVESTING IN OUR**  
 I successfully campaigned for a reduction of the speed limits in both Westhampnett and in Hainaker. I have also championed the 'safer routes to school' initiative, which provides new parking restrictions at the entrances to many local schools, making it safer for our children.

**ROAD SAFETY**  
 I campaigned on behalf of residents to have bus stops on Lavant Road raised, providing level access, particularly for the elderly and the disabled. I also supported the campaign to have safety railings installed where the footpath from Canterbury Close meets St Paul's Road.

**PLACE MAKING THE CITY A SAFER**  
 Jeremy is trying out one of the improved bus stops on Broyle Road.

**INSPECTING THE NEW FENCING AT THE LAVANT ALLOTMENTS**  
 I actively supported Lavant Parish Council in their successful application for a grant to de-silt the bed of the River Lavant. I have also supported successful applications for extensive flood relief work for East Dean, Singleton, West Dean and Westhampnett.

**JEREMY BY ONE OF THE NEW 30MPH SIGNS**  
 I campaigned on behalf of residents to have bus stops on Lavant Road raised, providing level access, particularly for the elderly and the disabled. I also supported the campaign to have safety railings installed where the footpath from Canterbury Close meets St Paul's Road.

# JEREMY HUNT THE LOCAL CHOICE FOR CHICHESTER NORTH

## INVOLVED IN THE COMMUNITY ALL YEAR ROUND

Above: Jeremy walking his dogs Poppy and Buddy, his rescue Jack Russell. The view, looking towards the Trundle, is said to have inspired William Blake to write the poem Jerusalem.

- I have lived in Chichester for 38 years, and in Chichester North for nearly 32 years.
- I am married to Gill, a Ciceronian, and we have two grown up daughters. We also have two dogs, one of which came from a rescue home.
- I have been actively involved in the community for a number of years. Before I was a County Councillor I was Chairman of my local Residents' Association.
- For most of my working life I was involved in the steel stockholding business, running a plant in Lavant for 17 years, before relocating to Chichester.
- Elected in 2013, I have served as Cabinet Member for education, where in early 2015 I started our campaign for fairer funding for our schools.
- I am currently the Cabinet Member for finance and I believe that my business experience is invaluable in this role.
- Over the last four years I have actively supported all the Parish Councils in my Division, as well as supporting individual residents when necessary.
- I have also supported my communities in opposing inappropriate development.

Above: Jeremy has been a governor of West Dean School for nearly four years. Jeremy finds that to put something back into the community, especially in supporting our children, is very rewarding.

## I WILL WORK TO ENSURE THAT:

- You feel safe, whether in the home, in your school or college, at your place of work and in your later years.
- Local communities in my division continue to benefit from the County's investment in grant schemes, such as Operation Watershed, the Members Big Society Fund and our Community Initiative Fund.
- I will continue to support the campaign for fairer funding for our local schools, to ensure that our children get the best start in life.
- The county continues to invest in our social services, supporting vulnerable children, families in need, as well as caring for the elderly.
- We continue to invest in our economy, both in urban and rural areas. For example, our joint funding of the Better Connected broadband project means that many residents and businesses now have access to superfast broadband. We are planning further investment, extending coverage to an extra 4,000 homes and businesses.

Right: Jeremy viewing a salt bin in West Dean, which was supplied and filled for free by the County Council - supporting communities in times of need.

Above: Jeremy takes a keen interest in supporting local businesses. Here he is discussing the importance of retaining employment space in Lavant with a number of local business owners.
