

# WEST SUSSEX CONSERVATIVES - A RECORD YOU CAN DEPEND ON

## INVESTING IN OUR LOCAL COMMUNITY:

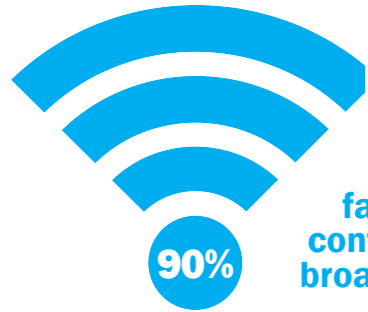

**£30M**

We have already invested £30 million in Better Roads Programme improvement schemes with a further £13 million investment in coming years.

**£13M**

We are committed to invest £77 million to expand and improve our school buildings.

We have invested over £10 million to make it possible for more than 90% of the county to enjoy better, faster broadband, and we continue to invest to improve broadband across the county.

We are investing £11 million in better pavements for our community.

## PROTECTING OUR BEAUTIFUL COUNTY:

43% recycle rate achieved, and we will continue to reduce landfill and encourage more recycling.

We have invested £7 million in green and clean energy producing 6 million KWH of energy per year with more investment planned in the next 4 years.

We are protecting and enhancing our beautiful county, maintaining and improving rights of way, bridle paths and cycle ways.

We are working with partners to enrich the environment, protecting the rural economy and promoting sustainable transport.

We have invested over £2.8 million in flood alleviation schemes with Operation Watershed.

## SUPPORTING OUR ELDERLY AND CHILDREN:

We are working with our partners to provide help, advice and support to our residents to live their lives in the community, and are recruiting more care workers to provide the care needed in the community.

We are giving parents a helping hand in difficult times and ensuring that our Early Help Prevention Service is there in the community to help families in times of need.

We are working with our schools to help our children to receive a good education.

We will continue to call for adult social care funding to be overhauled to help us to help our elderly.

We will continue to fight for extra fairer funding for our local schools.

## DELIVERING OUR SERVICES EFFICIENTLY:

We have made £180 million of savings by changing the way we work to ensure we continue to deliver frontline services for you.

We continue to keep Council Tax as low as possible whilst continuing to deliver vital services for all residents.

Our Fire and Rescue Service continues to be there for prevention and with you in an emergency. We will continue to work with our emergency services to give help when it is needed most.

We are working with our partners to drive out duplication and share processes where we can to reduce our overall costs.
