

# Conservatives working for you and your community

**SELSEY—OUR HOME FOR OVER 10 YEARS**  
After a successful career running our own business in packaging and distribution, my wife Patricia and I took early retirement and have enjoyed making Selsey our home.

David is dedicated to supporting our High street in these post-Covid times

**“I have very much enjoyed representing you as your County Councillor for the last 4 years, but this May I shall be retiring and I wanted to introduce you to David Shakespeare who will be your Conservative Candidate at the forthcoming coming election. The reason that I will be voting for David Shakespeare is that he already has an impressive record as a County Councillor before moving to live in Selsey and that experience will be invaluable for representing Selsey in the new Council”.**  
**Please give DAVID SHAKESPEARE your vote on MAY 6th.**

WEST SUSSEX COUNTY COUNCIL ELECTIONS 6th May 2021

## ACTION FOR YOU ALL YEAR ROUND

### What we will achieve together

#### BRINGING EXPERIENCE TO THE TASK

I've had over 30 years' experience of being a County Councillor and if I were elected I would bring that experience with me in representing Selsey without having to spend months or years learning what County Councils do or how they work.

#### WE ARE ALWAYS IMPROVING

I have always prioritised constant improvements in the efficiency of how Councils work, as every Council taxpayer has the right to expect their Council to be as efficient as the best of the private sector and that is definitely as it should be and needs to be.

#### KEEPING THE COSTS UNDER CONTROL

My other expertise is in the field of strict budgeting with the aim of keeping the Council Tax as low as we can whilst delivering quality services to our Residents. This is always easier said

than done and it needs constant hard work to achieve, but it can be done if you try hard enough.

#### REVITALISING OUR TOWN CENTRES AND MANAGE NEW GROWTH

We want to see any growth and change managed responsibly. Further major new housing estates may not be appropriate for Selsey. However, we must include a continued commitment to the regeneration of our key town centres.

In addition, I would make it a priority to support our existing business community, especially our small and medium enterprises, to grow and flourish, bringing much needed opportunity and prosperity to Selsey and our County.

## DAVID SHAKESPEARE OBE The local choice for Selsey

- **Maintain our fantastic schools**
- **Better roads for Selsey**
- **Supporting our Town Centre and local businesses**
