

CHICHESTER DISTRICT COUNCIL ELECTIONS 7 MAY 2015

**JANE KILBY
LES HIXSON
THOMAS DEMPSTER**

**The local choice for
Chichester East Ward**

 **Conservatives** You have three votes for the District Council so please vote for all three

JANE KILBY (07563 747587 or j.j.kilby@talktalk.net)

I have lived in the Chichester area for over 30 years, I have lived in the City itself for the past three and a half years and I work for a local Charity providing Daycare and Supported Housing for Adults with Learning Disabilities. I was a Chichester District Councillor for 16 years and Leader of the Council for 4 years, during this time I was involved with the redevelopment of the Swanfield Estate and sat on the Management Committee of the Estate. I have also been a Parish Councillor for Tangmere and Boxgove. The areas of Council work I am particularly interested in are Planning, Housing and the Environment. I enjoy the Arts, Theatre and Cinema and am a frequent visitor to all Chichester art venues. I am standing for election in the Chichester East Ward to support local residents on local issues with my past local government experience.

LES HIXSON (07923 948 928 or lesliehixson@hotmail.com)

A retired small-businessman with a good sense of humour & bags of energy. After selling my Printing business I volunteered with Home Start supporting young families; Headway brain injured adults; Youth Justice; & mentored low esteem & excluded children with The Children's Society & Right Track. In business, I implemented apprenticeship programmes & companywide Training and Development. I am honest, down-to-earth, & guarantee to do my best to benefit our community. I am always available to commit plenty of time to tackle residents concerns & the issues that really matter to us.

THOMAS DEMPSTER (07767 251412 or thdempster@gmail.com)

I was born and brought up in Chichester, having attended Bishop Luffa School, and I continue to play for Priory Park Cricket Club and Lavant Hockey Club. I am currently a student of European Politics, and combine this with a keen interest in local issues that affect Chichester. Most recently I have been a member of the Front of House team at Chichester Festival Theatre, and I have previously worked for GlaxoSmithKline in Worthing and as a private tutor in the sciences and mathematics. Until very recently I worked for an MP in the House of Commons, where I assisted local residents with their problems and concerns. This was especially rewarding work and I hope to use this experience to help resolve issues and to promote opportunities on behalf of residents in Chichester East.
