

GILLIAN KEEGAN

Your Local Choice
for Rogate Ward

Including Milland, Rake & Linch

 Vote Conservative

Dear Rogate Ward Resident

My name is Gillian Keegan

I am a business woman and after 25 years working in the technology sector I have decided to devote myself to local politics and voluntary work. I am very proud to be standing as your **Conservative candidate for the Rogate Ward on 23rd October 2014.**

I grew up in Liverpool and moved not far from the Rogate Ward 15 years ago. I'm married to Michael and have 2 stepsons who are now both students.

I undertake to speak up for the residents of Rogate, Rake, Milland and Linch and be a strong voice for your interests on Chichester District Council and within the wider community. My priorities are to get value for money from our taxes and to ensure we preserve the wonderful community that we live in. I undertake to do my best to support all local issues, including improving local infrastructure, road quality and introducing traffic calming measures in Rogate.

I will keep in touch regularly via your Parish Councils and websites where available. I very much hope to meet you in the next few weeks.

Best Wishes

Gillian

YOUR CONSERVATIVE DISTRICT COUNCIL HAS

Been thrifty with your money and:

- ✓ **Has the lowest council tax in the county** while still providing a high standard of service.
- ✓ **Been recognised by the National Audit Office** as one of the best District and Borough Councils nationally, scoring top marks in managing Taxpayers' money.
- ✓ **Has made savings and continuous efficiency improvements.** These savings have been greater than targeted by the Government, helping to keep your Council tax bill down.
- ✓ **Careful financial planning** has avoided making cuts to services, wherever possible.
- ✓ **Protected those who need help the most** by producing a new localised Council tax support scheme.

Protected much of the countryside by:

- ✓ **Working with the County Council and The South Downs National Park Authority** to achieve sensible outcomes for planning applications. Rogate Ward is vulnerable to aggressive applications, which would further damage the community and its infrastructure.

A powerful and effective voice is required and Gillian has a convincing track-record in this respect. She will always speak up for Rogate Ward.

- ✓ **Collecting 31% of all household waste for efficient recycling.** This placed your District second in the table of 393 Councils responsible for the collection of recyclable waste.

Helped those unable to buy a home by:

- ✓ **Requiring any new development** to include a high proportion of homes for renting or shared ownership, especially for local people.

Protected our community by:

- ✓ **Working with the Police & Crime Commissioner,** using our influence to keep the District a safe, low crime area.
