

# DANIELLE DUNFIELD

The local choice for  
Midhurst Ward

**Danielle** is an energetic young mother. She is Cambridge University educated with a successful career in financial services under her belt. She has held other high level positions including on the Board of Directors of Surf Lifesaving in Australia. Danielle married in Fernhurst and after working abroad has returned to contribute her expertise to the community, making this area her permanent home.

Passionate about sport, Danielle has cycled the South Downs Way, run the London marathon and represented Great Britain in Triathlon. Keeping good sports facilities in Midhurst is essential and Danielle is a proud member of the Grange with her family. Danielle has formerly run a number of 'Sports For All' programmes and will put her weight behind sport activities for all generations. She thoroughly understands the importance of support for young families, the elderly and the vulnerable.

Danielle has campaigned successfully on important environmental, coastal and community issues such as water recycling and waste management. She will bring her experience to bear on all local issues. She wholeheartedly backs the District Council's focus on Midhurst's prosperity, with its emphasis on the quality and range of shops and will keep a watchful eye on new developments.

Danielle is proud of the heritage of Midhurst and recognises the important international reputation of the area. She will also actively liaise with the SDNP to support Midhurst's rightful mantle as the heart of the South Downs National Park.
