

CHICHESTER DISTRICT COUNCIL ELECTIONS 7 MAY 2015

**PAUL
JARVIS**

**The local choice for
North Mundham Ward
Including Oving**

 **Conservatives**

Dear Resident,

My name is Paul Jarvis and I am currently your District Councillor for my ward consisting of North Mundham and Oving parishes.

I was born in South Yorkshire but spent most of my adult life in Surrey (22 years), where I married and raised our two children. My wife and I moved down to our current abode in Runcton over 7 years ago. We were made very welcome by the local residents.

I am currently the Hon Treasurer for the Mundham and Runcton Residents Association (MARRA) and the Advertising Co-ordinator for the local church parish magazine. I participate in a number of other local activities such as the Gala and Parish Polishers (cleaning and litter picking) etc.

I have served on the Chichester District Council's Development Plan Panel, Development Management (South) until South and North committees were reduced in size and combined into one.

Most of my effort and interest is centred on planning applications which affect our community, in particular the HDA in Mundham and housing applications such as Shopwyke lakes in Oving. I oppose the closure of the Oving traffic lights.

As your Conservative District Councillor I will strive to ensure that your money is spent wisely and effectively on what is essential to ensure the long term sustainability of our economy and society. I would like to see the Chichester area prosper but not be overwhelmed by the industries which create wealth.

Yours sincerely,

Paul

Paul Jarvis
