Denise graduated with double honours in Literature and French Language and went on to obtain a PGCE. She worked in her family shipping business and ran her own chain of travel agencies for fourteen years before settling on a career lecturing in Higher Education.

## **Nick Thomas**

Nick retired to Midhurst in 2000. He was elected to Chichester District Council in 2007 and appointed Cabinet Member for Sports, Culture and Tourism, a role he fulfilled for four years. His duties included endorsing grants to Northchapel and Loxwood Football Clubs. Nick strongly supports preservation of the countryside and resistance to inappropriate planning initiatives.

He believes in proper care of the elderly and vulnerable in the community. He is a keen sportsman and favours promoting sports for all age groups, and certainly the younger children, especially in post Olympic years. As an active retired person, Nick has time to commit fully to being a proactive Councillor on behalf of Plaistow ward and to deal with local issues.
