**The local choice for  
Selsey North Ward**

**The Selsey Conservative team will work together  
to sustain a strong local business environment,  
build a closer community, maintain our unique  
heritage and protect our coastline.**

 **Conservatives**

**JOHN CONNOR** and his wife Pam came to Selsey shortly after they were married 52 years ago. Their children and grandchildren were raised and educated here. Pam and John were joint proprietors of a retail shop in Selsey for 25 years, retiring in 2004. In April 2007 John stood down after 17 years operational service with the Selsey Lifeboats.

In May 2007 John was elected as a Member of Chichester District Council for Selsey North Ward. In June 2009 he joined the Council's Cabinet, and is currently Cabinet Member for Environment with strategic and policy responsibility for household waste, recycling, coast defence management, environmental health, & licensing.

He is deeply committed to protecting Selsey's unique ambience and heritage wherever possible, whilst actively promoting tourism, business, and job opportunities.

**John can be contacted on 01243 604243, or email [ojcselsey@gmail.com](mailto:ojcselsey@gmail.com).**

**CAROL PURNELL** has lived in Selsey since 2001, having worked in IT management for 28 years, in UK, Germany, Italy and USA.

For the past eight years, she has been a very active Selsey Town Councillor and in 2011 was elected as a Selsey North Ward Member of Chichester District Council where she sits on a number of committees. She is now the Cabinet Member for Housing and Planning.

Renowned for her tenacious no-nonsense approach, she has vigorously represented Selsey residents on planning, coastal defence and road safety issues. She is passionate about Selsey's community and its unique heritage.

**Carol can be contacted on 01243 605297, or email [carol@carolp.plus.com](mailto:carol@carolp.plus.com).**

**DARREN WAKEHAM** moved to Selsey in 2007 and has run a number of local businesses since leaving Chichester High School. He is very keen to be a point of contact for local residents to get the best from Chichester District Council services and to promote Selsey's future.

His passions are educating others on sustainable living, recycling, renewable technology and creating a better quality of life at minimum cost without compromising lifestyle. He wants to see the preservation and promotion of local historic and conservation sites.

Darren enjoys cycling on the South Downs, kayaking, surfing and spent a year travelling Europe.
